

§ 23.33

§ 23.33 What size standards do recipients use to determine the eligibility of ACDBEs?

(a) As a recipient, you must, except as provided in paragraph (b) of this section, treat a firm as a small business eligible to be certified as an ACDBE if its gross receipts, averaged over the firm's previous three fiscal years, do not exceed \$56.42 million.

(b) The following types of businesses have size standards that differ from the standard set forth in paragraph (a) of this section:

(1) *Banks and financial institutions*: \$1 billion in assets;

(2) *Car rental companies*: \$75.23 million average annual gross receipts over the firm's three previous fiscal years, as adjusted by the Department for inflation every two years from April 3, 2009.

(3) *Pay telephones*: 1,500 employees;

(4) *Automobile dealers*: 350 employees.

(c) The Department adjusts the numbers in paragraphs (a) and (b)(2) of this section using the Department of Commerce price deflators for purchases by State and local governments as the basis for this adjustment. The Department publishes a FEDERAL REGISTER document informing the public of each adjustment.

[77 FR 36931, June 20, 2012]

§ 23.35 What is the personal net worth standard for disadvantaged owners of ACDBEs?

The personal net worth standard used in determining eligibility for purposes of this part is \$1.32 million. Any individual who has a personal net worth exceeding this amount is not a socially and economically disadvantaged individual for purposes of this part, even if the individual is a member of a group otherwise presumed to be disadvantaged.

[70 FR 14508, Mar. 22, 2005, as amended at 77 FR 36931, June 20, 2012]

§ 23.37 Are firms certified under 49 CFR part 26 eligible to participate as ACDBEs?

(a) You must presume that a firm that is certified as a DBE under part 26 is eligible to participate as an ACDBE. By meeting the size, disadvantage (including personal net worth), ownership

49 CFR Subtitle A (10–1–13 Edition)

and control standards of part 26, the firm will have also met the eligibility standards for part 23.

(b) However, before certifying such a firm, you must ensure that the disadvantaged owners of a DBE certified under part 26 are able to control the firm with respect to its activity in the concessions program. In addition, you are not required to certify a part 26 DBE as a part 23 ACDBE if the firm does not do work relevant to the airport's concessions program.

§ 23.39 What other certification requirements apply in the case of ACDBEs?

(a) The provisions of part 26, §§ 26.83 (c)(2) through (c)(6) do not apply to certifications for purposes of this part. Instead, in determining whether a firm is an eligible ACDBE, you must take the following steps:

(1) Obtain the resumes or work histories of the principal owners of the firm and personally interview these individuals;

(2) Analyze the ownership of stock of the firm, if it is a corporation;

(3) Analyze the bonding and financial capacity of the firm;

(4) Determine the work history of the firm, including any concession contracts or other contracts it may have received;

(5) Obtain or compile a list of the licenses of the firm and its key personnel to perform the concession contracts or other contracts it wishes to receive;

(6) Obtain a statement from the firm of the type(s) of concession(s) it prefers to operate or the type(s) of other contract(s) it prefers to perform.

(b) In reviewing the affidavit required by part 26, § 26.83(j), you must ensure that the ACDBE firm meets the applicable size standard in § 23.33.

(c) For purposes of this part, the term prime contractor in part 26, § 26.87(i) includes a firm holding a prime contract with an airport concessionaire to provide goods or services to the concessionaire or a firm holding a prime concession agreement with a recipient.

(d) With respect to firms owned by Alaska Native Corporations (ANCs), the provisions of part 26, § 26.73(i) do
